EVIAN RESORT

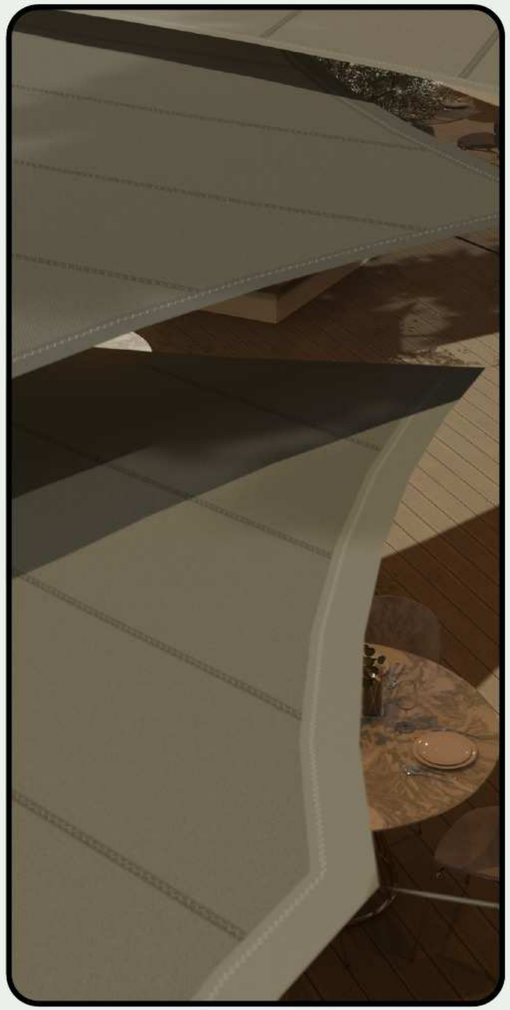
"WHERE LAKE GENEVA MEETS THE SKY, A NEW STORY IS BEING WRITTEN..."

Within the century-old walls of the Hôtel Royal d'Évian, a metamorphosis is taking place. Adrien Audry's creations are not mere additions to the decor — they are the embodiment of a renaissance, where every line, every curve tells the story of an exceptional place.

"ART MUST NOT ONLY BE CONTEMPLATED, IT MUST BE LIVED"

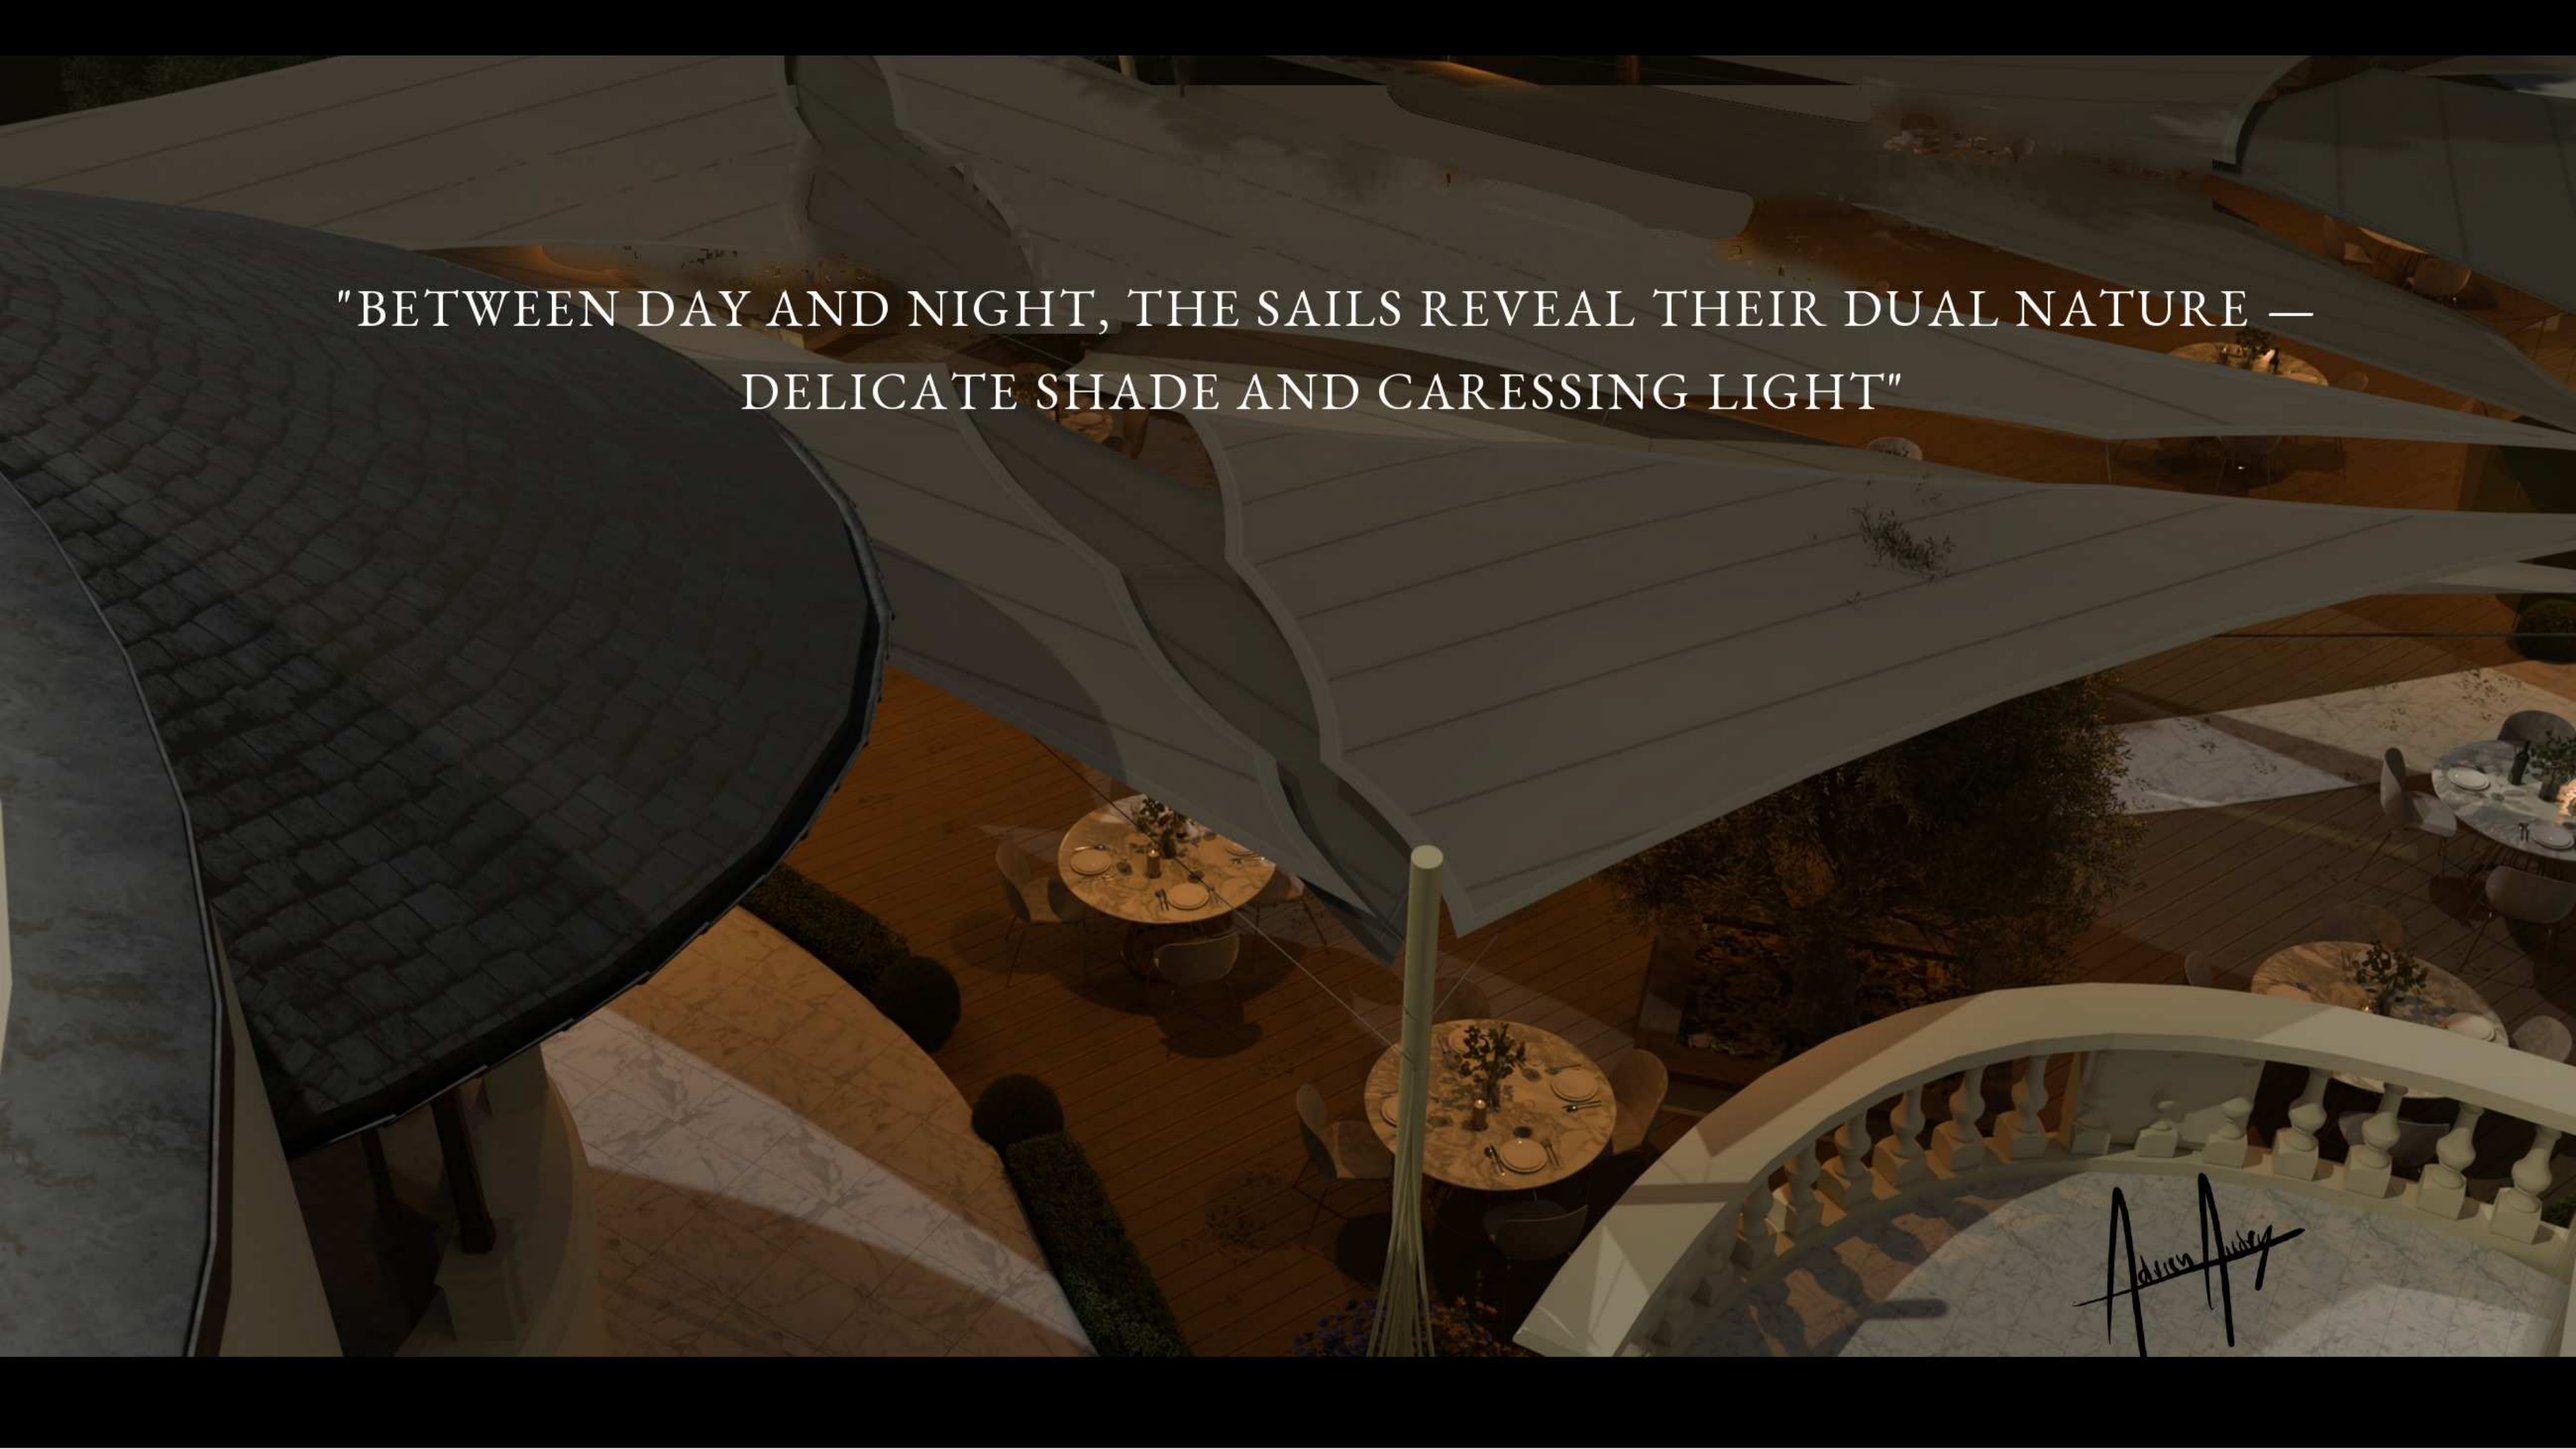
In the world of luxury design, certain creators stand out for their ability to transcend the boundaries between function and art. Adrien Audry belongs to that rare category of artists who do not merely design objects, but sculpt experiences.

"A BALLET OF SHADOWS AND REFINEMENT"



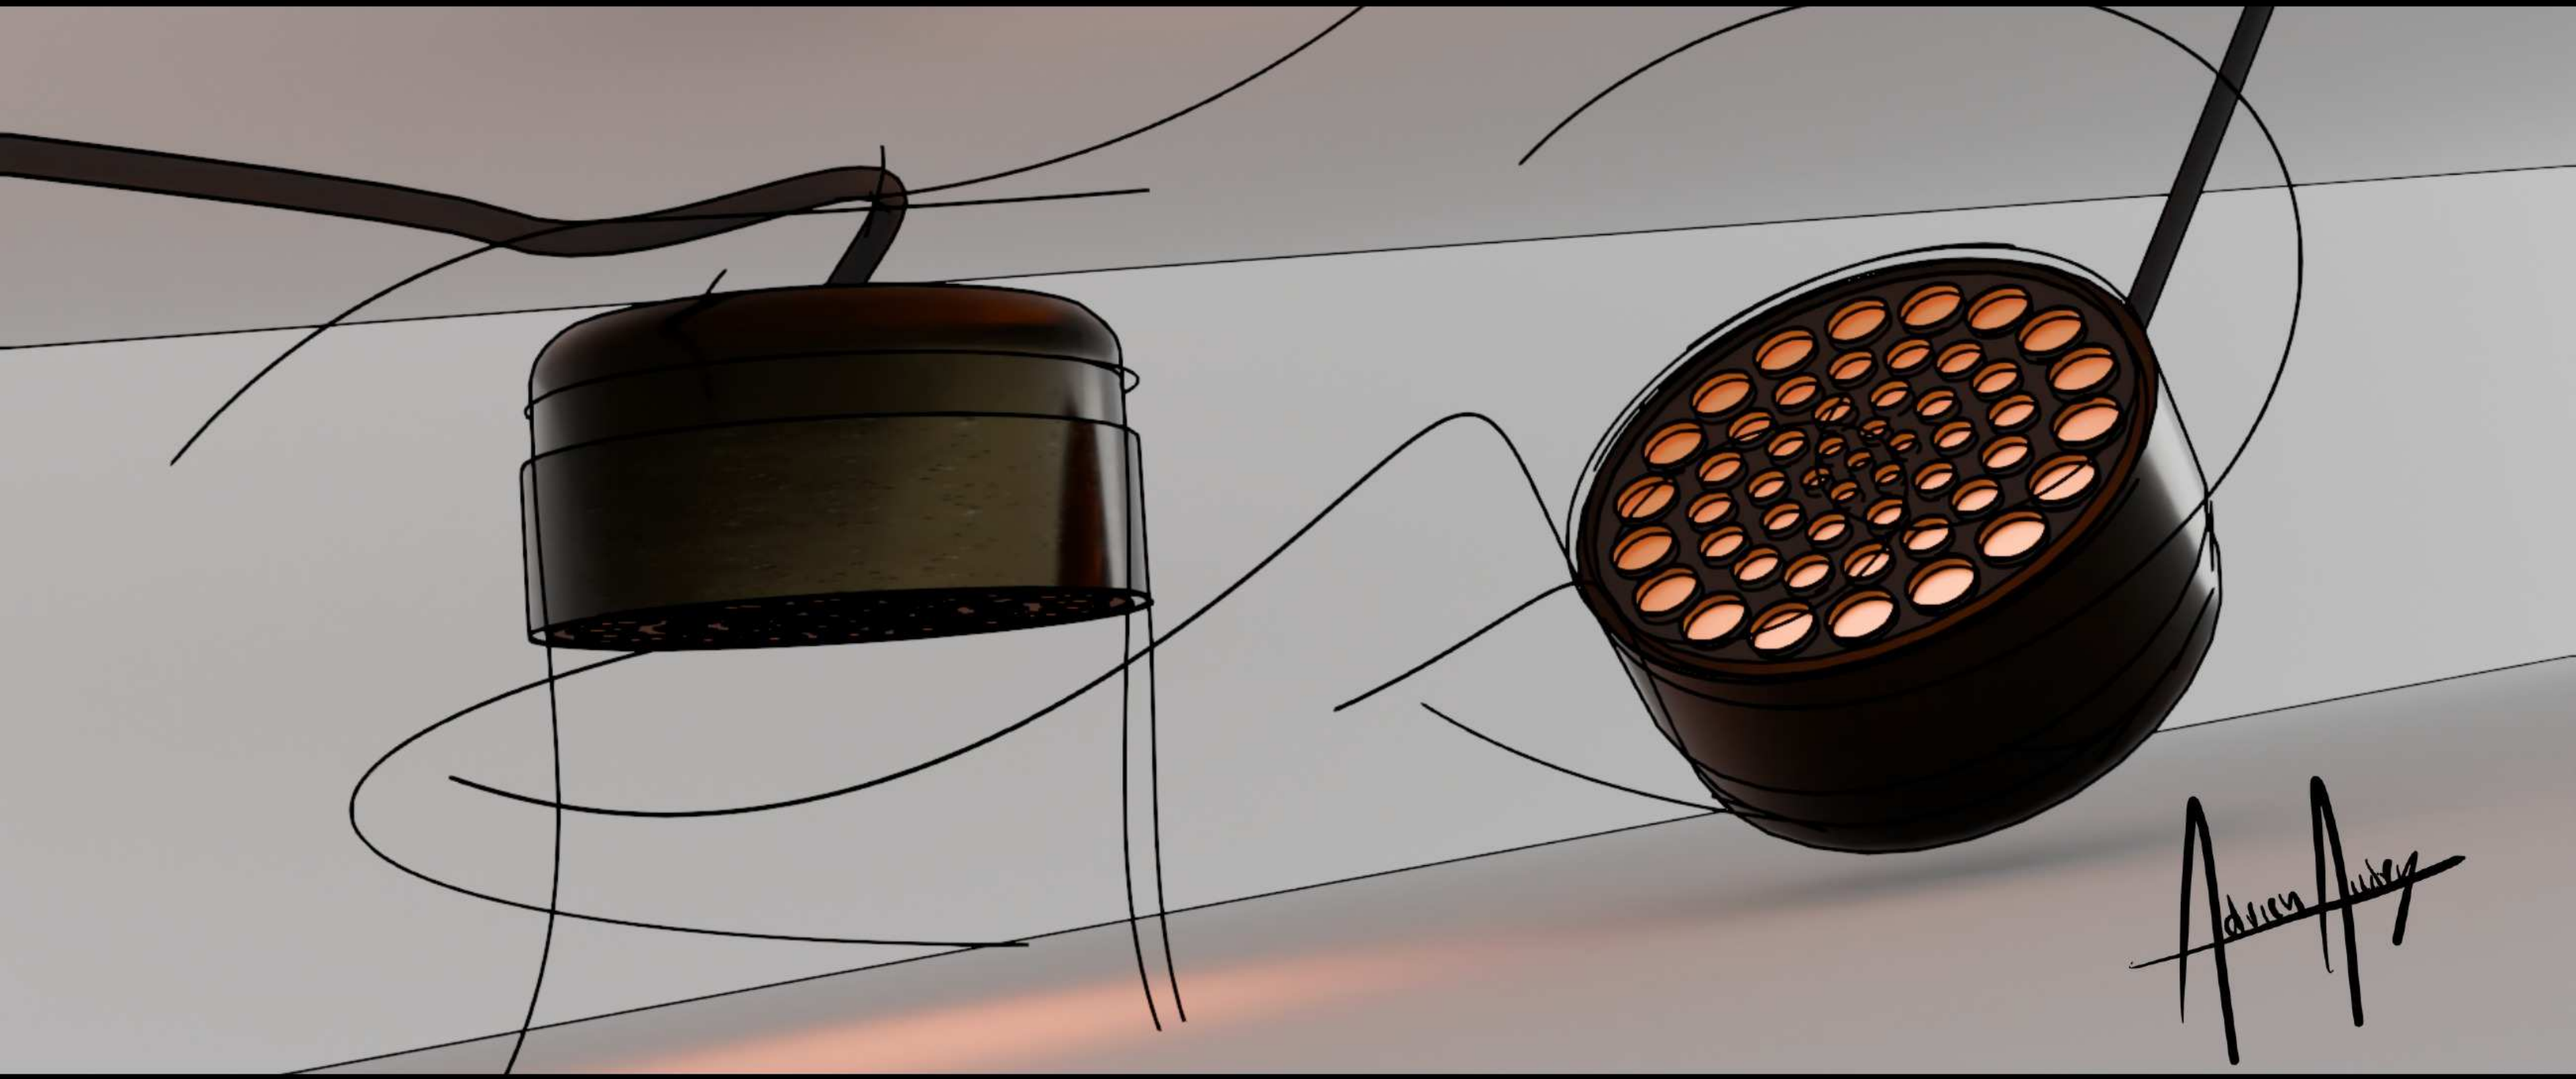
"THE NIGHT REVEALS ANOTHER DIMENSION OF THE SAILS"

When the sun sets over Lake Geneva, the sails metamorphose into a luminous work that reinvents the space. The integrated lights, like captive stars, create an atmosphere of suspended intimacy. Each sail becomes a lantern, diffusing a soft, amber light that caresses the olive trees and enhances the gastronomic experience.



"BETWEEN DAY AND NIGHT, THE SAILS REVEAL THEIR DUAL NATURE —
DELICATE SHADE AND CARESSING LIGHT"

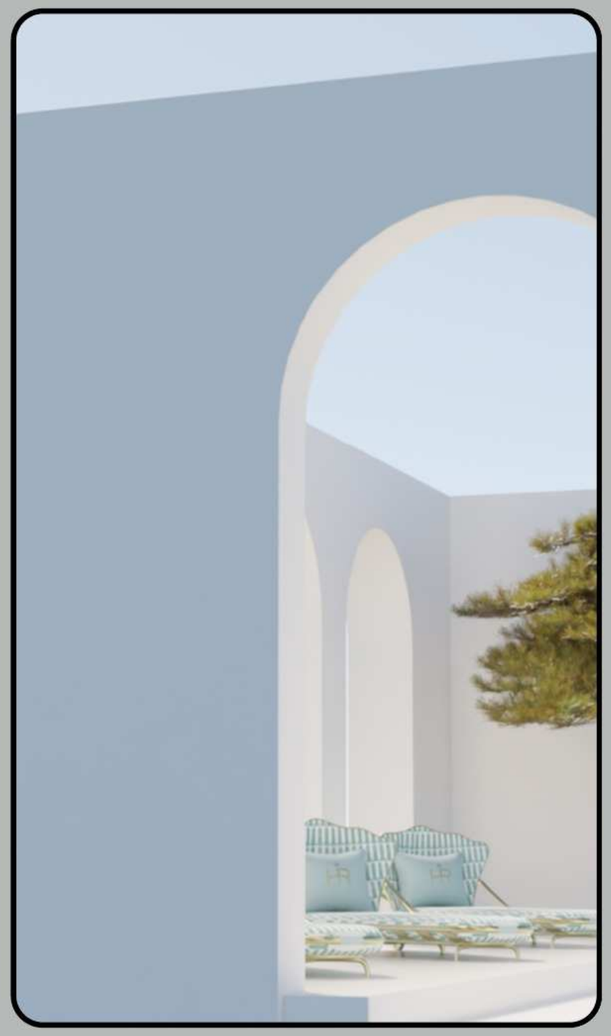
"THE NIGHT, A SYMPHONY OF LIGHT"



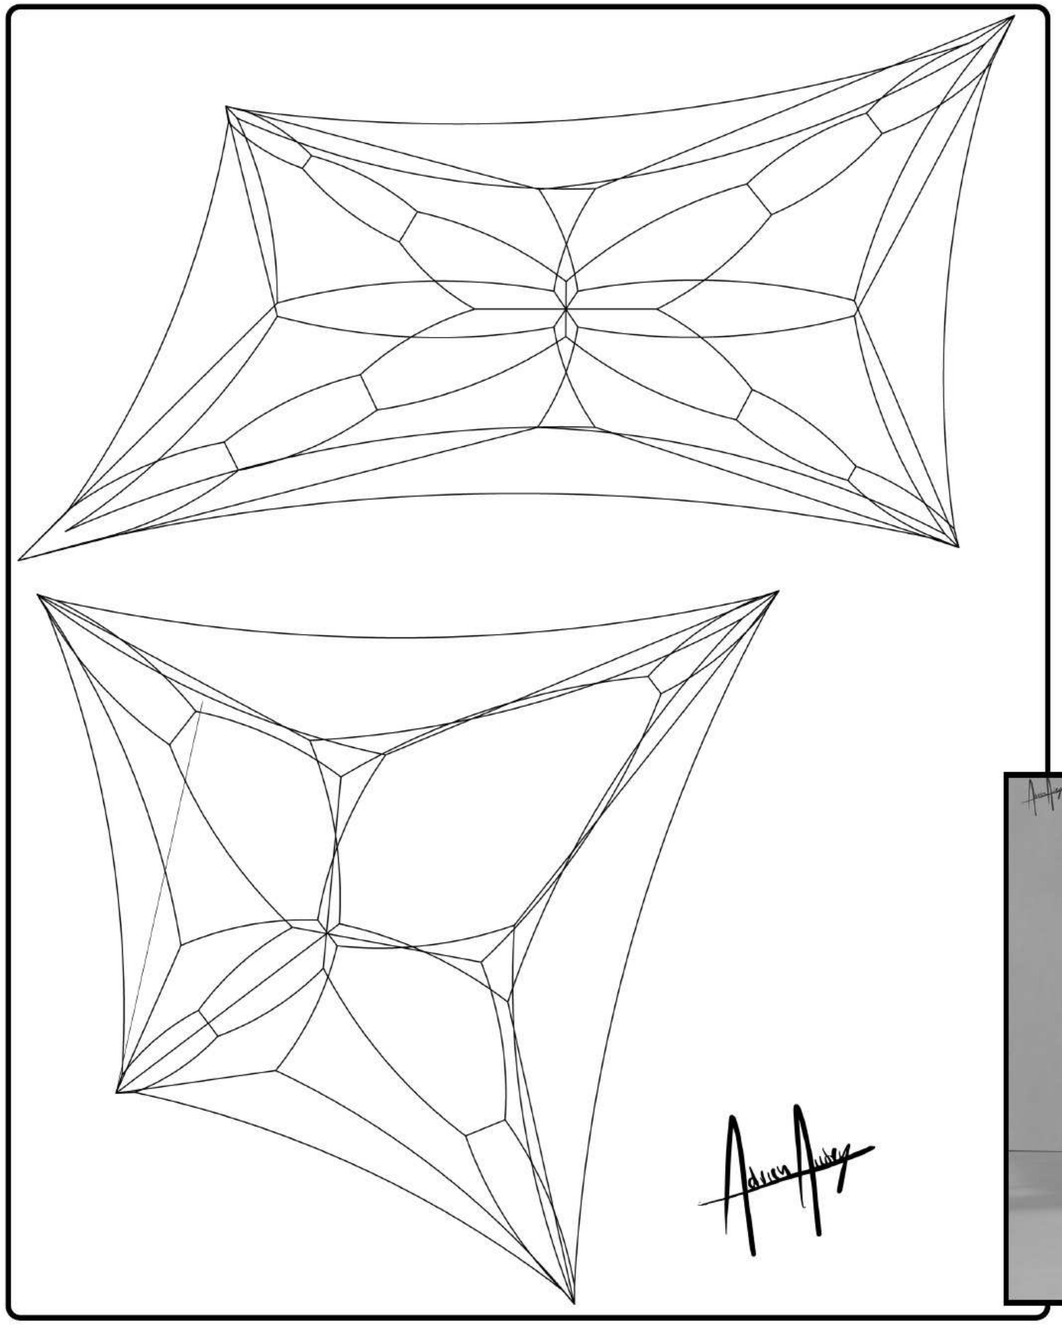
"THE TERRACE, A COOL HAVEN BY DAY, BECOMES
A THEATRE OF SHADOWS AND LIGHTS"

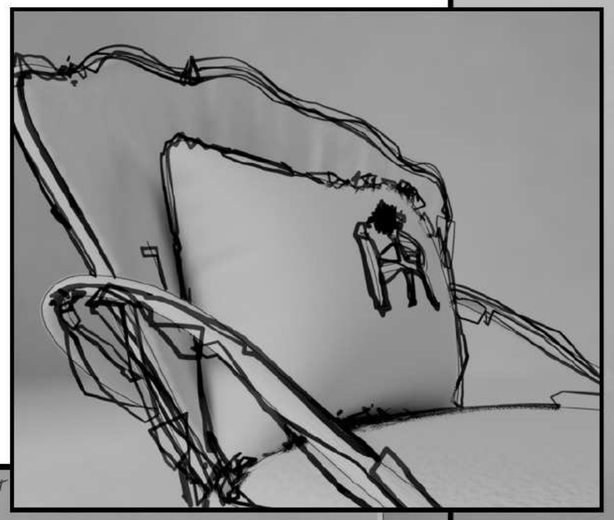
BONACIA

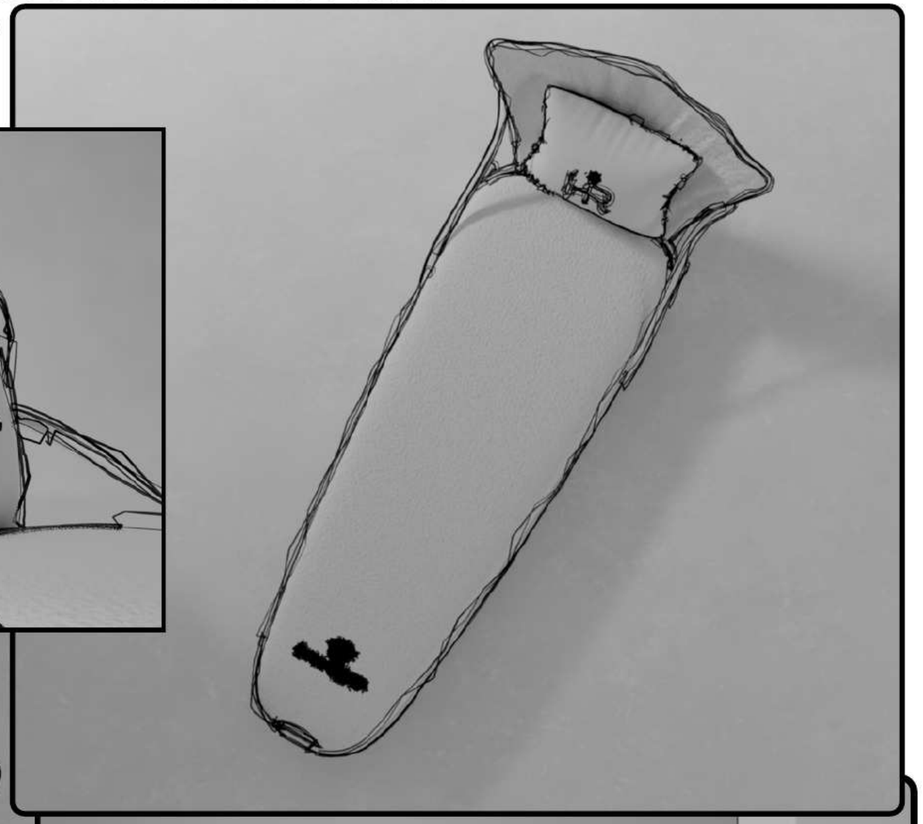
"COMFORT BECOMES ART, REST BECOMES LUXURY"

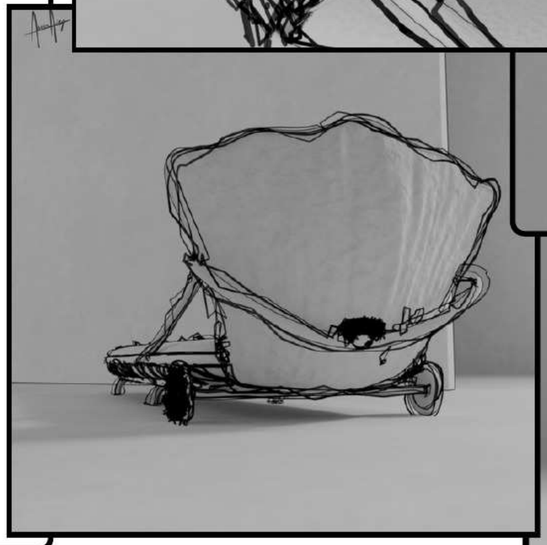


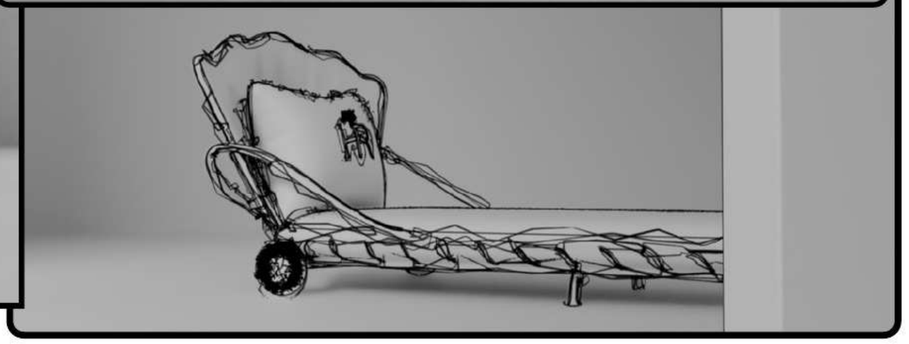
"THE SKETCH, THIS DANCE BETWEEN IMAGINATION AND TECHNIQUE"











"WHEN LAKE GENEVA INSPIRES DESIGN"

With its backrest undulating like a peaceful wave, the lounger pairs the elegance of champagne with the freshness of turquoise. A perfect dialogue between metal and fabric, where every curve evokes the legendary gentleness of the lake.

"LAKE GENEVA SCULPTS DESIGN, DESIGN ENHANCES LAKE GENEVA"

"IN BLACK AND WHITE IS BORN
THE VISION OF THE POSSIBLE"

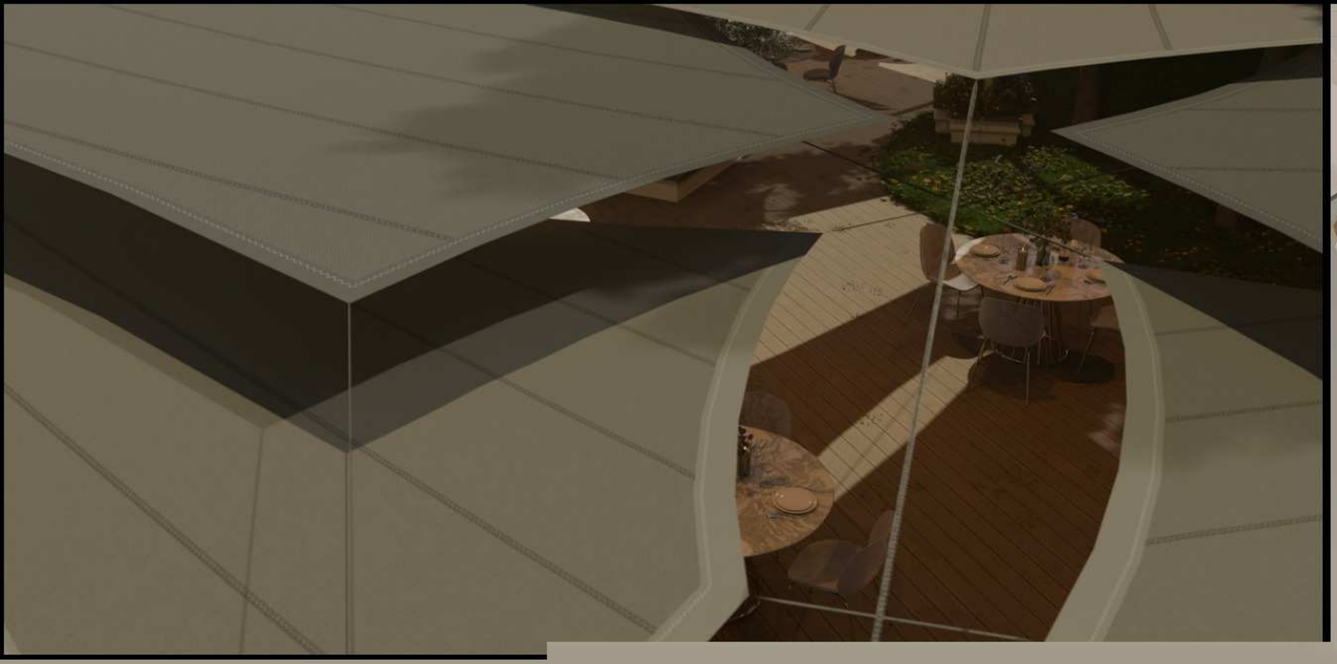
"PERFECTION BORN OF SIMPLICITY"

"WHEN COMFORT BECOMES
A WORK OF ART"

The loungers, true functional sculptures, redefine the codes of luxury furniture. Their aluminium frame with flowing curves captures the light of Lake Geneva, while the fabrics with turquoise geometric patterns evoke the constant dialogue between water and sky.

"THE SKY
BECOMES CANVAS,
SHADE
BECOMES ART"

The sails that overhang the terrace of the gastronomic restaurant are much more than simple sun protection — they are an environmental work of art that transforms the space into an immersive experience. Their complex geometry, the fruit of keen expertise, creates a choreography of shadows and lights that evolves as the hours go by.



"NATURE AS MUSE, TECHNIQUE AS TOOL"

"THE FUTURE IS WRITTEN IN THE DETAILS"

THESE CREATIONS FOR THE HÔTEL ROYAL D'ÉVIAN ARE ONLY THE BEGINNING OF A NEW ERA. THEY SHOW HOW INNOVATION CAN SERVE HERITAGE, HOW ART CAN ENHANCE EVERYDAY LIFE.

ADRIEN AUDRY'S VISION: TO TRANSFORM EVERY SPACE INTO A UNIQUE EXPERIENCE, WHERE DESIGN MEETS THE HIGHEST STANDARDS OF CONTEMPORARY LUXURY WHILE RESPECTING THE SOUL OF HISTORIC PLACES.
